

BEER

GALBRAITH'S ALEHOUSE

Was opened in 1995 as the first producer of Real Ale in New Zealand for well over half a century and is one of the country's craft brewing pioneers. Over the years we have ventured into brewing lagers and more modern beer styles as the whim takes us with an unrelenting quality focus. All beer is available to take home at retail prices.

Keith Galbraith Founder/Head Brewer

Galbraith's REAL ALE

Our English style Real Ales brewed on the premises use the finest malted barley and whole hops available anywhere in the world. While we don't always source locally, we always source the best.

Galbraith's Real Ales are the product of open warm fermentation, long cool natural conditioning in the cask from which they are served and are unfiltered and unpasteurised.

These beers are served at 10 - 12 degrees through traditional hand pumps and are not artificially carbonated or served under gas pressure.

As a result, those not used to the style often use the terms "flat" and "warm". Those who understand drink a natural product as old as time that has a huge depth of flavour with many dimensions not masked by excessive chilling or forced carbonation. This is a style of beer designed to be supped, not chugged, and always inspires lively conversation in our pub.

BOB HUDSON'S BITTER GOLDEN BITTER (4.4%) Takeout \$13/litre **12.9**

Brewed using golden promise and Pale Crystal malts with generous additions of Slovenian Styrian Golding hop flowers throughout the boil. Hard water and generous late addition hops produced a tangy and refreshing bitter. Named after Bob "Soapy" Hudson, who taught Keith how to brew the traditional way when they worked together at Larkins Brewery in Kent in the late 1980's.

BELLRINGER'S BEST BITTER (4.8%) Takeout \$14/litre **13.5**

First brewed by Keith in 1987 when he worked for Larkins Brewery in Kent.

A recent upgrade has seen the ABV move up to 4.8% while the recipe remains relatively unchanged.

A classic "Best" brewed using Maris Otter Pale Ale and Crystal malts with a smidge of dark roasted malt. Goldings hops throughout lend a soft "Old World" aroma and bitterness.

MAN OF KENT TRADITIONAL I.P.A (5.5%) Takeout \$15/litre **13.9**

Man Of Kent shows strong but restrained aromas that East Kent Goldings have. There is bitterness for sure, but the rich malts used balance this beer out nicely. A dryness from hardened water that runs through the palate makes Man Of Kent very moreish, setting off the malt and hops in a game of ping pong.

RURIK RUSSIAN IMPERIAL STOUT (7.5%) Takeout \$18.9/litre **14.9**

Imperial Russian stout brewed with flaked and roasted barley offering an initial hit of espresso, liquorice and dark chocolate. Aged on lees for a month then given light carbonation, the dry velvet mouthful is seamlessly punctuated with whole cone Fuggles.

Galbraith's LAGER & ALE

Our recent modern brewery addition has allowed us to improve our cold beer offerings markedly. Our attitude to these creations hasn't changed though, our focus is still to produce beer that is flavoursome, unique and not run of the mill. Beer that has real flavour, more than just a thirst quencher. Like our Real Ale these beers are made only from finest malt and hops we can find and various strains of brewer's yeast. They are unpasteurized and contain no preservatives.

HEIDELBERGER PREMIUM GERMAN STYLE PILSNER(5.7%)Takeout \$15/litre**13.9**

A classic lager made in accordance with the German Reinheitsgebot of 1516.

100% German malt, whole German hops flowers along with an ancient Bavarian yeast all went to make this as authentic and pure as possible.

STAR SPANGLE BANNER AMERICAN PALE ALE(5.6%) Takeout \$15/litre **13.9**

Two brewing styles, two brewers and two worlds collide in a trippy melange of resinous aromas, rich textures and heavy-eyed hopping. Combining traditional Real Ale brewing using Heirloom malts and an ancient yeast, New World hopping techniques and cool fermentation, our brewers have concocted a beer for out of body experiences.

DOUBLE DRY HOPPED HAZY PA (5.5%) Takeout \$15/litre **13.9**

Brewer "Hazy Davy" O'Leary thinks he's pretty flash at making this style of ale and who are we to disagree when he's correct for the first time in his life.

Always made with the same malts and oats, Dave's Hazy utilises different hops in each batch he brews just to keep things interesting for you.
