

## OUR PUB

Keith Galbraith opened the pub and brewery in 1995, bringing back cask-conditioned "Real Ale" to New Zealand after a 50+ year hiatus, making us true craft brewing pioneers. While we are serious about our European lagers and New World styles, our heart stays with classic Old World beers, brewed fresh, right here.

## UNIQUE BEER

Our British-style real ales use whole hop flowers from the UK (we're the only NZ brewery licensed to import them). Warm, open fermentation, naturally conditioned, unfiltered, unpasteurised, and are served cool from traditional hand-pumps. Sure, newcomers might call them "flat" or "warm" - but that's not even close. Our beers are cool, not ice cold, and never warm! These complex, flavourful brews are meant for sipping and to accompany spirited conversation.

## CASK CONDITIONED REAL ALE

### MR G'S LUNCHEON ALE - Session Ale - 3.7% 12.9

Not just for lunch, but any session! Biscuit, toasted bread crust and nutty caramel malt flavours, with floral and spicy hop notes and a refreshingly bitter finish.

### BELLRINGERS - Best Bitter - 4.8% 14.5

A classic "Best" brewed using Maris Otter Pale Ale and crystal malts with a smidge of roasted barley. Goldings whole hops throughout the boil lend a soft "Old World" aroma and bitterness. Our house yeast strain is from a brewery that closed late last century after a 200 year brewing history making classic, old style Real Ales.

### MAN OF KENT - Traditional IPA - 5.5% 14.9

Strong but restrained aromas from Kent hops. Rich malt character balances out the hop bitterness. Dry on the palate, making Man of Kent very moreish, setting off the malt and hops in a game of ping pong.

## LAGER & PALE ALE

### PRAHA - Czech Lager - 3.7% 12.9

A malty mid-strength lager that is the mainstay of Prague beer drinking. This is the perfect session lager.

### MUNICH LAGER - Bavarian Lager - 5.0% 14.5

Probably the entry level to our beers. A classic German style lager with gentle malt and balancing bitterness.

### FOGHORN NEIPA - Hazy Pale Ale - 4.7% 14.9

Cryo Mosaic hops give our New England style hazy pale ale an intense tropical and citrus character with citrus, lemon, mango, and tropical fruit aromas and flavours.
