GALBRAITH'S
ALEHOUSE

OUR PUB

Keith Galbraith opened the pub and brewery in 1995, bringing back cask-conditioned "Real Ale" to New Zealand after a 50+ year hiatus, making us true craft brewing pioneers. While we are serious about New World styles, our heart lies with classic Old World Real Ale and lager, brewed fresh, right here in our Alehouse.

UNIQUE BEER

Our British-style real ales use whole hop flowers from the UK (we're the only NZ brewery licensed to import them) and genuine maritime ale malt. They are brewed using warm, open fermentation, cask conditioning and are unfiltered, unpasteurised and are served cool through traditional beer engines (hand-pumps).
Sure, newcomers might call them "flat" or "warm" - but that's not even close. Our beers are cool, not ice cold, and never warm! These complex, flavourful brews are meant for sipping and to accompany spirited conversation in our pub.

CASK CONDITIONED REAL ALE

HUDSON'S - aka Bob's - Golden Ale - 3.9% 13.9
Named after Bob (Soapy) Hudson who taught Keith how to brew the traditional way at Larkins Brewery in 1980's Kent. Soft juicy Golden Promise malt and aromatic Styrian Goldings are the key to this pale refreshing Real Ale.

BELLRINGERS - Best Bitter - 4.8% 14.5
A classic "Best" brewed using Maris Otter Pale Ale and crystal malts with a smidge of roasted barley. Goldings whole hops throughout the boil lend a soft "Old World" aroma and bitterness.

CORNISH RED – Russet Ale - 5.6% 14.9
Cornish Red is all about place. Brewed with a single malt grown on the banks of the River Camel that flows into Padstow Bay and roasted to a higher degree than our usual base malts. It presents harvest gold in the malt sack but produces a beer of distinct russet colour. The resulting beer is rich and complex with our usual clean bitter finish.

MAN OF KENT - Traditional IPA - 5.5% 14.9
Strong but restrained aromas from Kentish hops. Rich malt character balances out the hop bitterness. Dry on the palate, making MOK very moreish.

LAGER & PALE ALE

PRAHA - Czech Lager - 3.7% 13.9
A malty mid-strength lager that is the mainstay of Prague beer drinking. Perfect session lager.

MUNICH LAGER - Bavarian Lager - 5.0% 14.5
Probably the entry level to our beers.
A Southern German style lager with gentle malt, aromatic hops and balancing bitterness.

FOGHORN NEIPA - Hazy Pale Ale - 4.7% 14.9
Our New England hazy pale ale. Citrus and tropical fruit aromas and flavours in spades.

VIENNA LAGER - 5.6% 14.9
A bronze coloured lager with a rich malt base, balanced by noble German Tettnang and Hersbrucker whole hop flowers. A style first brewed by Austrian brewer Anton Dreher in 1841.
